## **Internship opportunities at GISB**

At GISB we have a limited capacity to offer internships.

If you are studying to become a kindergarten (age 5-6), elementary (age 6-10), middle (age 10-15) or high school (age 15-18) teacher please read the information below.

If you are studying to become a preschool teacher (age 3-5) we currently cannot offer any internship opportunities.

We welcome applications from candidates who are interested in working at our school for a period of three to six months. Applicants should have a good knowledge of German and English. Prior work or school experience in the US is a big asset. You are required to have completed at least four semesters of education towards becoming a teacher in order to apply.

There is no compensation for interns, but we will take care of the VISA fees that might occur. If you are interested in an intern position, please email your CV and cover letter (in English or German) to:

[Lauren.Sallis@gisbos.org](mailto:Lauren.Sallis@gisbos.org) for the kindergarten

[Matthias.Radke@gisbos.org](mailto:Matthias.Radke@gisbos.org) for any of the other grade level
