

**GERMAN
INTERNATIONAL
SCHOOL | Boston**

German International School Boston is a bilingual independent school serving students aged 2.9 to grade 12. Learning at GISB is a multilingual, multicultural experience; graduates earn both a U.S. high school diploma and a German international Abitur. In addition to its international focus, GISB's urban location, commitment to affordability, and highly-involved family community make it a special place to learn and grow. GISB is an equal opportunity employer, providing generous benefits and a collegial, international work environment to a dedicated faculty and staff. For more information please visit www.gisbos.org.

Teacher's Aide, Part-time, temporary

German International School Boston seeks an energetic and organized classroom assistant to provide supervision, classroom support and technical assistance in the Middle and High School. The Teacher's Aide will create a supportive and caring environment for students while the classroom teacher conducts the lessons remotely. This is a part-time, temporary position with approximately 15 hours per week, Monday-Friday mornings.

YOUR TASKS AND RESPONSIBILITIES

- Ensure the classroom and all necessary materials are available for the students at the beginning of class, including the preparation of activities, materials, and equipment.
- Supervise students during class and maintain a safe and collaborative environment.
- Monitor student progress and consult with classroom and subject teachers as needed.
- Provide basic instructions to students and monitor all examinations.
- Break and supervision coverage as needed.

WHO YOU ARE

The successful candidate is responsible, organized, and demonstrates a desire for working with middle and high school students in an international, student-centered environment.

QUALIFICATIONS

- A.A. or B.A. in education, or a related field.
- Experience working in a K-12 classroom.
- Previous art instruction experience preferred but not required.
- Comfortable working with remote equipment (e.g. cameras) and software.
